AFFEAL, council accepted the lowest bid, all things considered, and that proof remains un-region—is before us. It is from the plantation

we once heard an anecdote of a rather over The Anderson Control Towns The A We once heard an anecdote of a rather over independent individual who was driven by the ood to the top of a very high mountain, the rain still falling in torrands and the water then encircling him about his shoulders. In this agreement in the control of the art footion.—Columbia Democrat, July 27—There is great complaint among the angar planters of dry weather. The case is very acrously interesting him about his shoulders. In this are footion, which, however, plainty indicate another glorious victory for the Democratic party.

Askaneas County — Congress—Rust, 294; to take a single face in the lot.

In this are footion.—Columbia Democratic party.

Askaneas County — Congress—Rust, 294; to take a single face in the lot.

Union and Planters' Banks.—Our mone-precations position by behalf the art footing the sugar planters of dry weather. The case is very acrously inprecarious position he beheld the ark floating part him at some distance. He very naturally cash the amount at first anticipated, under called on Mr. Noah to take him on board.

The tweifth session of the Young Latino of the Planters' Banks.—Our monetary reporter has neglected to correct the quoties' Model School, of Somerville, Team, will commence on Monday, the 6th day of next called on Mr. Noah to take him on board.

The tweifth session of the Young Latino of the Planters' and Union Banks for take him on board.

Jeffenson County.—State Senator past him at some distance. He very naturally called on Mr. Noah to take him on board.

But Mr. Noah, for reasons best known to himself, did not round to, but passed on. Sesing his, our hero fell back upon his independence, exclaiming: "Go to thunder with your worthless boat, I don't believe there's going to be uch of a shower no how."

The anecdote illustrates the present position

The superior of the planters' and Union Banks for commence on Monday, the 6th day of next any circumstances. Cotton plantations are of course and union of the Planters' and Union Banks for several weeks past. These Banks are now paying specie at their branches here, and of a course should be quited at par. They are equal to gold, and should be so quoted. We should be so quoted at par. They are equal to gold, and should be so quoted at par. They are equal to gold, and should be so quoted. We should be so quoted at par. They are equal to gold, and should be so quoted at par. They are equal to gold, and should be so quoted. On the planters' and Union Banks for course and that Col. Embrea received a majority of day. Peel & Dumble received a bale on Fri feether, 630; Clay, 615; Ferguson, 101.

By reference to advertisement in another course and that Col. Embrea received a majority of day to their course and that Col. Embrea received a majority of the votes over Col. Grace.
